

Vodka

Belvedere . Wyborowa

Belvedere Pure

Faint hint of vanilla along with some gentle, soft cream characteristics. Full and round with a medium bodied weight and rich, velvety texture. Some vanilla swaying between sweet and savoury with a hint of white pepper and spice. Good length with notes of almond, clotted cream and some faint almond and brazil nut characteristics.

Belvedere Intense

Seductive notes of rich vanilla, cream and butterscotch. Velvety smooth with deep and concentrated flavours of crème caramel, dark savoury spice and rich bitter chocolate. Rich and full bodied with voluptuous notes of cream and vanilla. Sustained with notes of cream, vanilla and sweet spice.

Belvedere Unfiltered

Having a heavy rye and grain flavor, smooth a light kick, the Belvedere Unfiltered Intense 80 compliments the olives and vermouth well. Lightly oily, good and flavorful this vodka is smooth more than intense. While we were hoping for more of a kick and bite from an intense vodka, this is still a beautiful beverage.

Wyborowa

Wyborowa Pure Grain Vodka is produced in the Pozan distillery in Western Poland. It is produced from 100% rye grain, which is sourced and adapted from local farms in the Poznan region. Rye grain gives Wyborowa its distinctive sweet flavour and creamy velvet like texture.

Zubrowka

A dry, aromatic vodka, soft and clean on the palate with a distinct lingering coconut tone. Complex and enigmatic, with grassy herbaceous aromas (mainly thyme and lavender) with vanilla and spring flowers. Herbaceous, lavender, jasmine tea and citrus flavors open up further with a hint of chocolate and cafe latte. Natural warmth carries through all the way.
