## La Fiole du Pape Chateauneuf du pape red

Père Anselme created in 1952, in collaboration with glass craftsmen and ceramists, this original and exclusive bottle of which shape reminds the typical wild movement of the vine-stock in the Rhône Valley wine-growing region. The term exclusive means that our family owned company is the only one to own the registered pattern of production for this bottle.

Brilliant ruby colour with tile tints, showing a good maturity. Complex, warm and pleasant nose combining aromas of dry fruits, wood, truffle, venison, spices; all in a perfect harmony. In the mouth, this wine surprises by its unctuousity at first and its powerful tannins at the end.

Chateauneuf du Pape

## La Fiole Cotes du Rhone

Deep ruby color with slight tile tints. Bouquet of small stone fruits, spices (thyme, pepper) as well as “garrigue” notes. The mouth is warm, supple, ample and elegant with delicate tannins. Undergrowth and liquorice notes are together with fruit aromas in the finale.

Cloudy Bay . Terrazas . Cape Mentelle

## Cloudy Bay Sauvignon Blanc

Generosity is the defining word for the 2009 Cloudy Bay Sauvignon Blanc. Its aromatics encapsulate a broad spectrum of varietal flavours; tropical fragrances of guava and mango to ripe lime/ citrus and sweet herbs. The palate also is juicy and voluminous, combining concentrated flavours with a mineral acidity that leaves a long, fresh, intense finish.

Cloudy Bay Sauvignon Blanc

## Terrazas Reserva Malbec

Intense fruits notes such as strawberry, blackberry, black cherry & plum. The aromas of liquorices & rose are perfectly combined with bitter chocolate & smooth toasted notes, coming from barrel ageing. Intense and well balanced, the tannins are smooth & well-rounded. Long & elegant final with a great concentration of fruits

Terrazas Reserva Malbec

## Cape Mentelle Shiraz

Cape Mentelle’s shiraz takes inspiration from the techniques and wines of France’s Northern Rhône Valley. The fruit is destemmed only, cold soaked and traditionally fermented. Maturation in both large oak vats and small barriques is aimed at retaining the refined fruit and floral characters of the variety along with the more savoury, spicy elements derived from the vineyard.

Cape Mentelle Shiraz

## Cape Mentelle Cabernet Merlot

A vibrant, fruit-driven wine with distinct blackcurrant and satsuma plums plus a touch of lavender, leading to a medium to full bodied palate with soft and elegant tannins. A satisfying gravelly structure balances the fresh fruit characters to provide length and complexity.

## Campo Viejo . Numanthia

### Gran Reserva

Ruby-red with a gold-tinged rim. Deep. It retains the ripe red-berry fruit aromas of blackberries, blueberries, and black plums extraordinarily well. Gradually it opens up to reveal smoky, toasted wood nuances, with spices and hints of minerals and tobacco. Smooth mouth-feel, with sweet, polished tannins. A long, elegant, perfumed finish with final hints of coffee with chocolate.

Gran Reserva

### Reserva

Ruby-red colour with a golden rim. Bright and deep. There is a great balance between the fruit (cherries, black plums, ripe blackberries) and the clean nuances coming from the wood (clove, pepper, vanilla and coconut). The nose is further enriched by the aromas that develop during bottle ageing. Smooth and balanced on the palate with a full, elegant feel and a long, lingering finish.

Reserva

### Crianza

Cherry-red colour with a gold rim, lively, clear and bright. A very attractive, fragrant nose. The first thing you notice is the fresh fruit: cherries, plums, blackberries, hints of strawberry and raspberry, with mountain herb nuances coming through. Then these give way to the vanilla, cocoa and soft spice and toasted oak nuances from the cask.

Crianza

### Numanthia

An intense, robust and nervy wine. Impressive fruit expression, concentrated tannins, leading to a velvety and lively full body mouthfeel. Long and elegant on the finish with an extremely wide range of aromas, like dark fruits, toasted and spicy notes, highlights the complexity and handcraft character of this wine.

## Jacob's Creek

### Shiraz Cabernet

Individual vineyards were regularly monitored throughout the ripening period, with berry flavour ripeness and sugar/acid balance used as the criteria for determining optimum harvest dates. Parcels of fruit were destemmed and crushed into static and rotary fermentation vessels and fermented on skins for around seven to ten days, at temperatures between 18 and 26°C.

Shiraz Cabernet

### Riesling

Regular block visits by our winemakers during ripening ensured the selection of quality fruit parcels for inclusion in the 2011 Jacob's Creek Riesling. The fruit was harvested in the cool of the night at optimum vineyard temperatures of less than 15° Celsius and delivered to the winery. The fruit was de-stemmed, crushed and then gently pressed to minimise the extraction of phenolics.

Riesling

### Chardonnay 2011

We aim for a broad flavour spectrum across parcels of chardonnay destined for Jacob's Creek Chardonnay. Due to the conditions of the 2011 vintage more fruit was harvested showing fresher citrus flavours with only a few regions producing fruit with riper peach and melon flavours. To make sure fruit is delivered to the winery in the best condition we get dusty boots.

Chardonnay 2011

### Merlot 2011

Parcels of Merlot grapes were sourced from our premium vineyards and were identified during regular vineyard inspections by our winemakers, who sought concentration of flavour and soft, sweet tannin profiles, perfectly suited to Jacob's Creek Merlot. Individual parcels of selected fruit were fermented between 18 - 26°C in static fermenters for 8 to 10 days.

Merlot 2011

### Shiraz 2009

Parcels of fruit with generous varietal flavours were carefully selected during vineyard assessments by our winemakers. Harvest dates were determined on the basis of optimum fruit flavour intensity, sugar/acid balance and tannin ripeness. After harvest and transport to the winery, fruit was de-stemmed and crushed to different fermenter types.
